

Goodleigh C of E Primary School

Pupil Premium Strategy 2017/18

The Pupil Premium funding is allocated to the school to support strategies to improve outcomes for disadvantaged pupils:

- Pupils on free school meals, or those that have been in receipt of free school meals within the past six years
- Children in care
- A smaller amount is allocated according to the number of children of service families.

Summary of Information	
Total number of pupils on roll	95 (Autumn Term Census 2017)
Number of pupils benefitting from PPF	18 (January 2018)
Total amount received	£30,535
Total PPF spending	£30,535
Date to review this strategy	July 2018, January 2019

Current Attainment
Due to the small cohort this information will not be published.

Attendance - to be populated when national data is validated		
All pupils	School 2016/17	National
Pupil Premium Pupils	89.47 %*	
Non-pupil Premium pupils	96.30 %*	

*Any flexi-school children are not represented in this data

Barriers to future attainment

- Some pupils require social, emotional or mental health support.
- Some families require social and emotional support to minimize barriers to learning for their child.
- Attendance.
- Some pupils exposure to additional experiences is limited.
- Some pupils have less developed speech and language skills.
- Some pupils have special educational needs.

Year	Total Allocation	Allocated to and reason for allocation	Cost	Success Criteria
2017/18	£30,535	Additional LSA support within every classroom. To raise attainment of our Pupil Premium children by ensuring that every child's learning is scaffolded according to their individual need, within the framework of quality first teaching. The class teacher has more opportunities to work with children to maximise progress. LSA support to deliver specific academic and social interventions individually or within small groups. Counting to calculate, phonics, Trugs, Talk Boost.	£29,389	Children on track to meet their ambitious predictions and narrow the gap between the attainment of pupil premium and non-pupil premium children.
		Provide instrumental tuition with specialist teacher and purchase instruments.	£1,692	Children benefit from learning a musical instrument which increases confidence and self-esteem.
		Provide access to school residential at no cost to the family.	£1,608	All pupil premium children benefit from accessing high quality residential experiences.

Overall evaluation of impact

End of KS1 outcomes for pupil premium children

Due to the very small cohort this information will not be published.

End of KS2 outcomes for pupil premium children

Due to the very small cohort this information will not be published.

Curriculum

The children have experienced a wide range of educational visits, visitors to the school and high quality enrichment opportunities to inspire, engage and contextualise learning. A high level of enjoyment and engagement has been noted by staff and parental feedback. The children talk about their experiences and this has had a positive impact across the curriculum.

Clubs

88% of our pupil premium children attended one or more after school clubs every week. Children enjoy the clubs and parental feedback is positive.

Musical instrument tuition

50% of our pupil premium children have accessed individual instrumental tuition which has increased confidence and self-esteem.
