Dear Parents and Carers,

Class One, Pirates at Skern Lodge Outdoor Activity Centre

The children had a wonderful adventure at Skern Lodge. They had lots of fun working together, playing pirate games and rafting on the river.

Year Five, Beach Volley Sport, Croyde

Our Year Five children thoroughly enjoyed competing at the Beach Volley Sport event. Their behaviour and support for one another was excellent and their refereeing was highly commended.

Sports Day

Thank you for coming along to support the children. Everyone had a brilliant time and the children participated enthusiastically in all of the events, showing support and encouragement to each other.

Year Three, Tri Golf Skills

The children enjoyed taking part in the tri golf skills at Saunton Golf Club: they had fun learning techniques on the driving range and putting green.

Whole School Concert

The children experienced the wonderful music of Vincent Touret with Polka Dot Concerts. They received a fabulous introduction to the brass family of instruments.

Year Five, Thursday 27th June, Sports Leader Training

Please can children come to school wearing their PE kits. Thank you.

Class Two, Friday 28th June, Plough Arts Centre Outreach: Play in a Day

Parents and carers are very welcome to join Class Two on Friday at 3.00 pm in the Village Hall and may take their child home following the performance.

Bag2School

We are pleased to announce that we have organised a clothes & shoe collection with Bag2School in order to raise funds for the school. By getting involved in our Bag2School collection, you have an opportunity to sort through your cupboards and wardrobes and donate unwanted textiles in the bag provided - this can include adults' and children's clothes, shoes (tied together please), hats, belts, handbags and soft toys, (please refer to <http://uk.bag2school.com/> for full details). In addition to raising funds it will also raise awareness amongst the children of the benefits of recycling and reuse. If you fill the donation bag and still have more then you can use any other bag to donate your items and don't forget to ask grandparents, friends and neighbours to have a sort out as well! **Bag2School will be collecting all donations on Monday 8th July at 9.00 am.** Many thanks for helping us with this fundraising opportunity.

Kind regards,

Claire Grant
Executive Headteacher

APPLE CAMP

Apple Camp is a place where thousands of kids worldwide ages 8 to 12 bring their imaginations to life. The mission of Apple Camp is to inspire children to develop and communicate ideas through drawing, video, music, and coding.

3 sessions, over 3 days, all FREE at Apple Exeter, Princesshay

Bookings go live on 17th June.... <https://www.apple.com/today/camp/>

Learn design skills to imagine a park for their community. They'll go on a short walk to gather inspiration and take photos of materials, colors, and textures. Then they'll sketch their ideas in the Procreate app using iPad with Apple Pencil to bring their design to life. On the final day, they'll present their park to the group. Devices will be provided.

Discover how to create fun video footage using iPad. They'll start with fundamentals of moviemaking like experimenting with camera shots in the Clips app and drawing ideas on storyboards in Keynote. On the final day, they'll apply their skills to make a captivating movie trailer using iMovie, and they'll celebrate their creations. Devices will be provided.

Explore fun activities to learn how to code Sphero robots. They'll start with coding fundamentals like commands, loops, and functions, then use blocks of code to create a program using the Sphero Edu app for iPad. On the final day, campers will program lights, sounds, and animations to tell their own story starring Sphero. Devices will be provided.

Explore how to build their own song. They'll learn rhythm basics, practice making beats, and experiment with Smart Instruments to create a melody in GarageBand for iPad. On the final day, campers will celebrate their new skills by sharing their song with the group. Devices will be provided.

What's on at the WEEKENDS

Every Apple Store in the world offers free training sessions on a wide range of topics called Today at Apple. From taking photos, and coding apps through to editing video and making music with our technology. We also have some sessions which have been designed with staff and facilitators in mind so would be great if there is anyone you work with who might be interested in attending. There are over 50 different topics. Below I have listed the range of kids and family sessions that we have coming up over the next few weeks.

Photo Lab for Kids: Fun Family Portraits

Learn how to set up and take family portraits using iPad and iPhone. Kids will find interesting backgrounds, use different light sources and direct family members for their photo shoot. They'll use Live Photos to capture action, and add fun art and text to their portraits. iPhone or iPad devices will be provided, or bring your own. Recommended for families and kids aged 5–12.

23rd June	1:00 - 2:00 pm
30th June	1:00 - 2:00 pm

Art Lab for Kids: Make Your Own Emoji

Kids will learn fun ways to create their own emoji. We'll show them how to draw colourful faces and objects. They'll get hands-on using the Procreate app on iPad with Apple Pencil to draw an emoji to take home. Devices will be provided.

22nd June	1:00 - 2:00 pm
29th June	2:00 - 3:00 pm

Video Lab for Kids: Making a Movie Trailer

Kids and families will learn how to make movies together. Kids will brainstorm ideas, storyboard and get hands-on capturing footage with iPad. They'll collaborate to create an exciting movie trailer and explore editing techniques using iMovie. Each group will showcase their trailer at the end of the session. Bring your iPad or we'll provide one. Recommended for all skill levels.

23rd June	3:00 - 4:30 pm
30th June	3:00 - 4:30 pm

Coding Lab for Kids: Sphero Robot Obstacle Challenge

Help a Sphero robot navigate obstacles using code in the Sphero Edu app on iPad. Kids will explore block-based coding by programming simple movements, changing colours and more. They'll set up obstacles and use iPad to program a path for their robot to navigate. Bring your own devices or we'll provide them. Recommended for kids aged 6–12.

23rd June	2:00 - 3:00 pm
30th June	2:00 - 3:00 pm

Music Lab for Kids: Making a Theme Song

Create a theme song for your favourite TV programme, book or game using GarageBand on iPad. We'll cover rhythm basics, and kids will get hands-on experimenting with Smart Drums, adding pre-recorded loops and remixing their theme song. Bring your iPad or we'll provide one. Recommended for aged 6–12.

22nd June	2:00 - 3:00 pm
29th June	1:00 - 2:00 pm
