Dear Parents and Carers,

Year Six, Oceanfest

Year Six had a fantastic time at Oceanfest in Croyde and managed to fit in a beach clean!

Year Five, Tennis Tournament

Well done to the children who represented the school in the tennis tournament. They all had fun and played brilliantly with one of the teams getting through to the semi-finals.

Year Five, Monday 1st July, Cricket Festival, Barnstaple & Pilton Cricket Club

Your child will need to wear their school PE kit and bring a packed lunch with plenty of non-fizzy drinks, sun cream and a sun hat. We have arranged the transport for drop off but please can you collect your child from the Barnstaple & Pilton Cricket Club, Raleigh Meadow, via St George's Road (behind the Co-op) at 3.00 pm.

Class One, Wednesday 3rd July, Performance

The performance starts at 4.15 pm. Your child will need to stay after school and bring a snack and a non-fizzy drink. Thank you.

Class Two, Wednesday 3rd July, Performance

The performance starts between 5.00 - 5.15 pm. Your child will need to stay after school and join an after school club and bring a snack and a non-fizzy drink. Thank you.

Potatoes

The children will be harvesting their potatoes next week. Please ensure your child bring in something to carry them home in. Thank you.

Barnstaple Fringe Theatrefest

The children will be coming home with details of the Fringe Theatrefest.

Road Safety

A reminder to all to ensure that you consider the safety of all road users at all times when driving and parking on the roads around Goodleigh. Please ensure that your car is not left unattended blocking the road as this could be an obstruction for the emergency services or other road users. Following the Highway Code, you must not park opposite or within 10 metres (32 feet) of a junction or near the brow of a hill. Thank you for helping us to keep each other safe.

The Village Hall allows us to use their car park before and after school and we recommend that you primarily park here if you intend to stay for a while either before or after school.

Early Bird Discount on School Uniform Orders

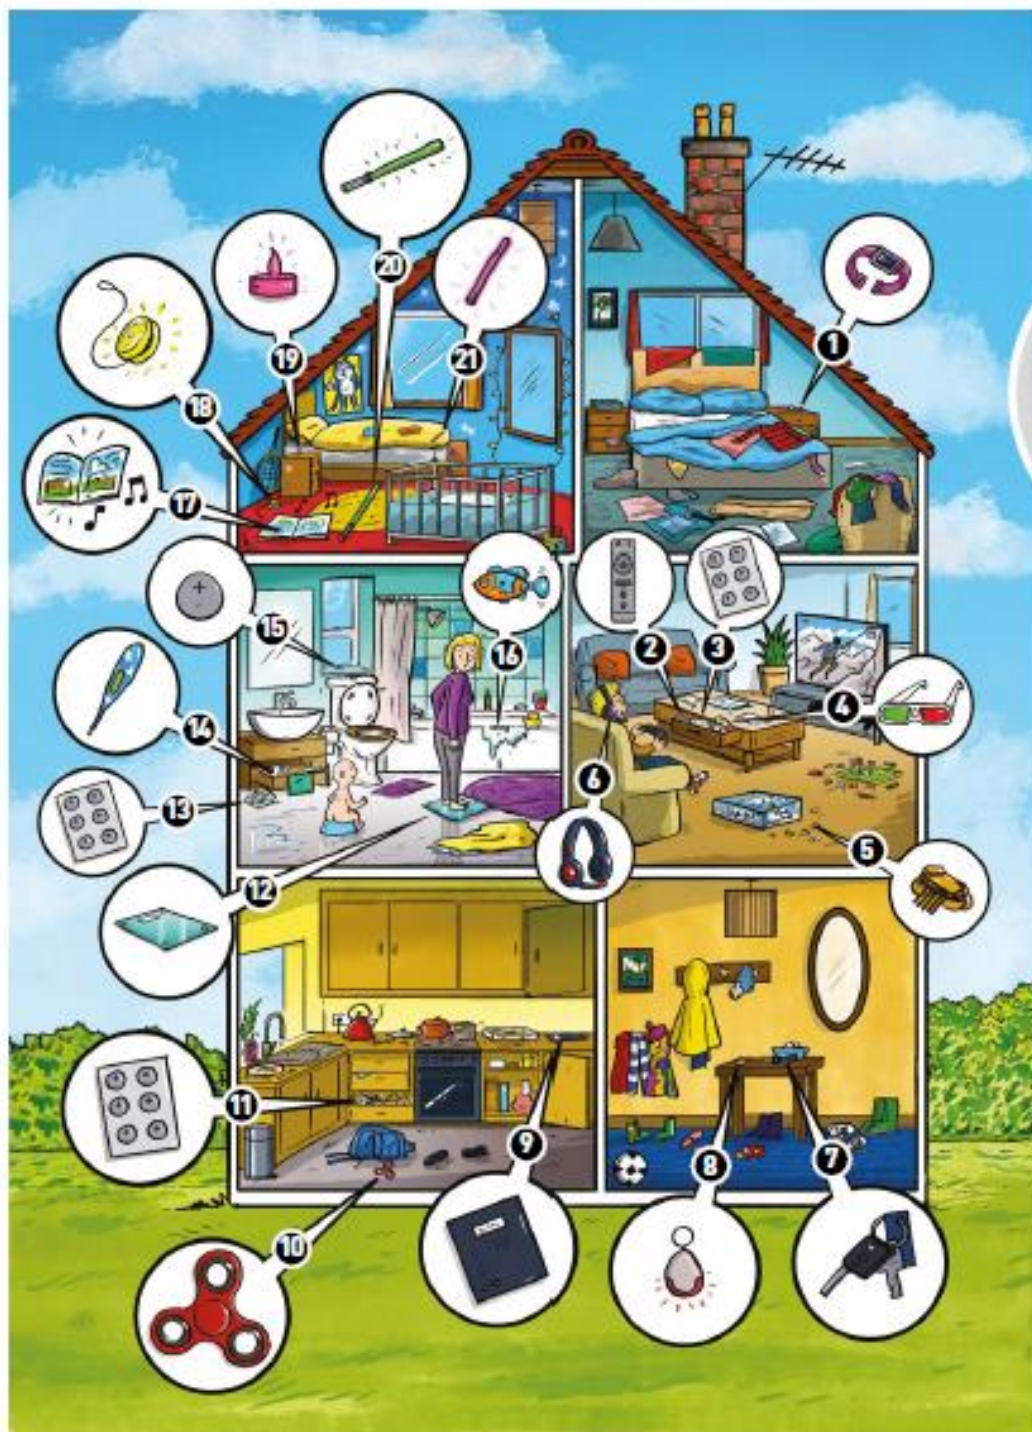

Schoolthreads.co.uk is offering 10% off all orders received by 15th July. Please quote **EB10** at the checkout. You may request delivery to the school to save postage charges.

Kind regards,

Claire Grant
Executive Headteacher

Friday 12 th July	Whole School, Devon Air Ambulance Trust Assembly
Friday 19 th July	Year Six Leaver's Service, 2.00 pm Last day of term

Button batteries – where are yours?

Button batteries, particularly big, powerful lithium coin cell batteries, can badly hurt or kill a small child within two hours, if they get stuck in the food pipe. Know where yours are, so you can keep your children safe.

Five top tips

- Look round your home for lithium coin cell batteries – in products as well as spare and 'flat' batteries.
- Keep products well out of children's reach if the battery compartment isn't secured.
- Store spare button batteries in sealed containers in a high cupboard.
- Remember that 'flat' or 'dead' batteries still hold enough power to badly hurt a child. So put them out of children's reach straight away and recycle them safely and as quickly as possible.
- If you think your child has swallowed a button battery, don't delay, take them to A&E straight away or call 999 for an ambulance. Don't let them eat or drink and don't make them sick.
