Dear Parents and Carers,

Year Three and Year Four Level One Bikeability

During the Level 1 Bikeability course the children rode their bikes in an off-road environment and learnt skills that would help them to prepare for cycling on the road.

Year Three and Four Golf Festival, Westward Ho!

The children really enjoyed themselves at the Royal North Devon Golf Club. Before playing on 'Taylor's Course' they learnt how to putt and lift a ball by playing some really fun games.

Free workshop for parents and carers

Think behaviour, think language. I wonder if ...

From the Communication and Interaction Team and the Social, Emotional and Mental Health Team

A free, informal workshop for parents and carers to consider the links between behaviour and speech, language and communication needs.

This event will be held virtually on Tuesday 15th June 2021, 10am – 12pm

Does your child have difficulty with:

- Listening?
- Attention?
- Communication?
- Friendships?
- Literacy?

The session raises awareness of speech, language and communication needs (SLCN) and considers the impact on a child's social, emotional and mental health (SEMH). SLCN can become apparent through a child's behaviour in a variety of ways and we shall provide further insight into these complex links.
