Dear Parents and Carers,

We are delighted that we will be joined by our new chef on Monday. Alex has a wealth of experience and also has his own business as a professional chef. Mealtimes are really important for the children and we are looking forward to Alex providing the school with high quality nutritious meals. I know that the children are very excited and will make Alex very welcome.

Water Bottles

Please fill your child's drinking bottle with water only.

Kind regards,

Claire Grant
Executive Headteacher

To reduce the spread of COVID-19 in your community:

- Test daily using LFDs
- Limit close contact with other people outside your household, especially in enclosed spaces (when not in school)
- Wear a face covering for those aged 11 and over in crowded, enclosed or poorly ventilated spaces and when you are in close contact with other people
- Limit contact with anyone who is at higher risk of severe illness if infected with Covid-19
- Follow the guidance on [how to stay safe and help prevent the spread - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/how-to-stay-safe-and-help-prevent-the-spread-of-covid-19)

There are things you can do to help reduce the risk of you and anyone you live with getting ill with coronavirus (COVID-19):

- Get vaccinated - everyone aged 12 and over can book COVID-19 vaccination appointments now
- Wash your hands with soap and water or use hand sanitiser regularly throughout the day
- Cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- Put used tissues in the bin immediately and wash your hands afterwards
- Meet people outside and avoid crowded areas
- Open doors and windows to let in fresh air if meeting people inside
- Wear a face covering if aged 11 and over when it's hard to stay away from other people - particularly indoors or in crowded places
- Participate in twice weekly LFD testing following national guidelines (recommended for 11 years and over). We encourage you to log your results here: <https://www.gov.uk/log-test-site-covid19-results>
