Pupil Absence - First Day Contact Procedures

It is important that contact is made with the school at your earliest opportunity if your child is going to absent from school. If no contact is made we will telephone the primary contact first and in the event of no answer use any further emergency contact numbers provided to us in order to ascertain that your child is safe. It is advisable for parents or carers, in the event of a safeguarding concern, to ensure that one of your registered emergency contacts can gain access to your home to check that all is in order.

Please be advised that should our school process fail to locate a pupil we will risk assess the situation and;

- Telephone the Police using 999 if the child is considered to be at risk of immediate and significant harm or danger
- Telephone the Police on 101 if not at risk of immediate significant harm but where there are escalated welfare concerns
- Continue to try and contact parent(s)/carer(s) and/or emergency contacts if the pupil is not considered to be at any increased risk
- Alert the Education Welfare Office to undertake enquiries on behalf of the school
