Dear Parents and Carers,

Year Six, National Gallery Online Workshop "Messengers"

The children were treated to a fascinating workshop led by Ed from the National Gallery. During the session, the children were encouraged to discuss shape, movement and their senses when exploring famous pieces by Van Gogh and Constable.

Years Three and Four, National Gallery Online Workshop "Colour and Light"

The children learnt about the artist Monet, what he was inspired by and the brush techniques he used. They explored colour mixing and creating texture through a variety of brush patterns and layering paint to create abstract master pieces.

Year Five, National Gallery Online Workshop "Van Gogh's Yellow House"

The children visually explored some of the works Van Gogh created and made observational sketches. They had fun experimenting with cutting and folding to construct their own artist's house.

Years One and Two, National Gallery Online Workshop "Colour and Light"

The children enjoyed looking at paintings in a new light by learning how artists make and use colour.

Tuesday 17th September, Year Five, Lundy

Quality sleep is essential for children's growth and development. A decent night's sleep will help them to do better at school, allow them to react more quickly to situations, have a more developed memory, learn more effectively and solve problems, plus it will make them less susceptible to colds and other minor ailments, less irritable and better behaved!
