Dear Parents and Carers,

Year Five, Lundy

The children had an amazing day visiting Lundy, exploring the lighthouse, the Marisco Castle and the caves that lie beneath the castle. They enjoyed observing the wildlife on and around the Island and were thrilled to see the coastguard conduct drills over the MS Oldenburg.

Key Stage Two, First Aid Training

The children thoroughly enjoyed learning invaluable information on the actions to take in an emergency situation. They were engaged in learning first aid techniques, working well together to put the patient into the recovery position and practised CPR on a manikin.

Reception, Years One and Two, Woolley Animals

Class One had a fantastic day at Woolley Animals. They fed the goats, donkeys, horses, sheep, pigs and the alpacas, learned all about them and how the farmer looks after them. To end the day they had a ride on the tractor and trailer.

Reception, Years One and Two, "What Pets Need" Blue Cross Online Workshop

Class One had an online session with Geraldine from the Blue Cross. They learned lots about the five welfare needs for pets.

Year Six, History of Science Museum "Maths Innovators" Online Workshop

The children thoroughly enjoyed an online session with expert mathematician, Helen Pooley, from the Science Museum who introduced the class to a variety of historical number systems. The children demonstrated great confidence when exploring the Egyptian and Roman number systems before creating their own binary bracelets.

Wednesday 2nd October, Year Six, Turner Exhibition, Barnstaple Museum

Please drop your child off outside the Barnstaple Museum at 9.00 am where Mr Morris will be waiting. The children will be exploring the riverside and taking part in a workshop related to the art of Turner. Your child will need to wear their school uniform, a warm waterproof coat, comfortable walking shoes and bring a packed lunch and their water bottle. The children will be returning to school on foot.
