Dear Parents and Carers,

Years Three, Four, Five and Six, Farmwise, Exeter

The children visited Farmwise in Exeter, where they learned about farming and where our food comes from. Through interactive activities, they discovered how crops are grown, animals are raised, and the impact farming has on the environment. The day was both fun and educational, helping students understand sustainable food production and the importance of making eco-friendly choices.

Road Closure

We have been advised that the road through Goodleigh will be closed each day between 9.30 am and 3.00 pm. The closure is due to start on Wednesday 16th October for a period of 10 days.
