Dear Parents and Carers,

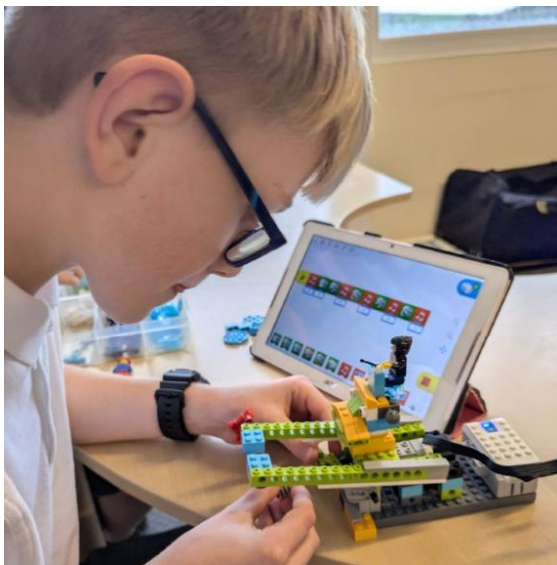

Key Stage Two Handpans

The children had another wonderful experience with Lyndon. They also explored other percussion instruments and had fun working alongside each other to compose and perform.

Years One-Six, Lego Robotics Workshops

The children had lots of fun using engineering skills, problem solving and team work to create and adapt their moving Lego robots. They learnt how precise, step-by-step instructions help a robot understand exactly what to do.

Class One, Clive PiG - The Great Fire of London

Class One had a fantastic morning learning all about The Great Fire of London with Clive PiG. They were mesmerised by his storytelling and loved finding out about what life would have been like in 1666.

Key Stage Two, Clive PiG Storytelling

The children were enthralled by the energy and enthusiasm of Clive PiG during their poetry workshops. He encouraged the children to be playful with words and to share their creations with each other.

Children in Need

Thank you to everyone for your generous donations. The children enjoyed themselves and raised £134.35.
