Dear Parents and Carers,

Quince Honey Farm, South Molton

Class One had a fantastic day at Quince Honey Farm learning all about bees and how important they are. The children dressed up as bees and learnt the waggle dance, harvested their own honey and made beeswax candles.

Tuesday 23rd June, Class One, RHS Garden Rosemoor, Great Torrington

Your child will need to wear their school uniform and outdoor footwear appropriate to the weather and bring a waterproof coat, sun hat, sun cream and a bag containing their water bottle and a packed lunch. Packed lunches can be ordered. The children will depart and return during the school day.

Sports Day - Weather Conditions

There is a high chance that the weather conditions will be unsuitable on Thursday. Therefore, please ensure that your child has their PE kit in school every day as we may have to deliver sports day with the children at short notice on an alternative day due to the weather.

Follow the Water Safety Code

Stop and Think

Is the area safe? Consider potential hazards—too deep or too shallow, currents, tides, underwater objects.

Enter slowly and carefully, and never jump from heights.

Think carefully about your ability to splash or swim in cold outdoor water. Are you really a good swimmer?

Research local information and conditions - read local signs and speak to locals, including the lifeguards.

Never use inflatables in open water – although they look fun, inflatable water toys can quickly get caught in the wind and be blown out to sea.

Stay Together

Seek lifeguarded areas and always ensure someone is available to raise the alarm.

Don't go too far – enter the water slowly, stay within reach, stay within a standing depth and always be supervised.

In an emergency

Call 999

Ask for the Coastguard if you are at the coast. Don't enter the water to rescue.

Be sure everyone in your group knows who to call in an emergency. If you are abroad, ensure you know the correct number to call.

Float

If you fall in or become tired, stay calm, float on your back, and call for help. If you see somebody who has fallen in, throw something that floats to them.

Ensure the whole family knows basic water safety and what to do if they find themselves unexpectedly in the water. You can access FREE RLSS UK resources to help.
